

Geography

In Geography, we will be learning about natural disasters through physical and locational knowledge. Children will learn all about volcanoes focusing on where they are, how they are formed and the structure inside. Children will complete a case study on Iceland and its volcanic eruption.

English

In English, we will base our learning on the story of 'When the Giant Stirred'. The story of one island, formed and ultimately destroyed by the action of a volcano. We will be working towards writing a story from the point of view of one of the characters in the text using a variety of descriptive sentences.

Music

In Music, we will be learning to appreciate and understand a wide range of high-quality recorded music from composers and musicians. We will be creating simple melodies together and explore the following question: How does music teach us about our Community?

Computing

In computing, we will be learning about Data loggers. We will be using them to collect data and use the data we have collected to answer questions.

Year 4 Spring 2

The Power of Mother Nature

Science

In Science, our focus will be on states of matter and the water cycle! We will be grouping and comparing materials, observing the changes of state and identifying the parts played in evaporation and condensation.

PSHE

In PSHE, we will use the book 'The Flower' (John Night) as our 'No Outsiders' theme. Our SCARF theme is 'Rights and Responsibilities'.

PE

In PE, we will be focussing on netball on Mondays and gymnastics on Tuesdays.

Art

In Art, we will be looking at drawing. We will be using different grades of pencil and techniques

Maths

Throughout the half term, we will be focusing further on fractions and time. We will also continue to focus on our times tables.

Key Vocabulary

calendar centre decide eighth island natural
position separate strength though vermillion
spouting phenomenon tranquillity inhospitable
uninhabited belched cinders navigate isolated
erode colonise waterborne wind-dispersed
fauna species crater migrate thatched

RE

In RE, we will be continuing our focus on Christianity. We will be looking at why Easter was part of a plan and why Jesus died.
