

RE

In RE we are continuing to explore the Jewish faith and celebrations that are important to them.

We will also look at Christianity and the importance of the Bible to Christians.

Computing

In computing, the children will use search engines to research topics. Within this, they will be reminded of the importance of e-safety. They will also explore the art of taking better photographs, using the ipad.

Science

In Science, we will be exploring different materials. The children will identify the properties of different materials and which materials can change shape.

Maths

In Maths, we will be learning the 2, 5, and 10 times table and dividing by 2, 5, and 10. We will be interpreting and constructing simple pictograms, tally charts, block diagrams and simple tables. In Spring 2, we will look out Statistics, Shape, Fractions and Measurement.

History

In History, we will find out about the three Queens of England, compare their reigns and identify the impact during that time.

English

In English, we will be using a fiction book called 'Dragon Machine' as our stimulus. Our final piece will be a story with an adventure focus. In Spring 2, we will read 'Major Glad, Major Dizzy' to support our work on Recounts.

Year 2 Spring 1 & 2

Footprints in the Past

PE

In PE, the children will be practising net games and developing the skill of attacking and defending.

Music

In music, we will be comparing Rock songs. We will be learning a Rock song called 'I wanna play in a band' and performing it as a class. We will learn to play glockenspiels.

Key Vocabulary

Reign, invention, timeline, past, long ago, present day, machine, changes, impact, history, England, country.

DT/ART

In Art we will be learning about collage and how to create and evaluate a salt dragon. In Spring 2, we will be exploring textiles and weaving using different materials.

In DT, the children will be learning simple sewing and cutting skills.

PSHE

As part of our No Outsiders we will be reading The Odd Egg and Blown Away. We will also be starting our SRE lesson-differences between boys and girls.

End Point:

Create a class quiz that helps the children to understand and order the events of the past.
