

Geography

In Geography, we will be using maps, compasses, atlases, globes and digital mapping to locate and describe features of countries and seas. We will be developing our knowledge of the poles, oceans, Arctic and Antarctic Circles.

English

In English, we are using 'Big Blue Whale' by Nicola Davies to practise our adverbs, subheadings, sentence structures and editing skills. We will be trying to be persuasive in our writing for this unit.

RE/PSHE

In PSHE, we are using the book 'The Hueys in the new jumper' (Oliver Jeffers) as our 'No Outsiders' theme to support our SEAL theme, 'Going for Goals'.
In RE, we will be exploring the Christianity unit, "How is Jesus portrayed in art around the world?"

Computing

In Computing, we are programming using makey makey.

Year 3 Spring 2 **Deep, deep down**

Science

In Science, we are looking into forces and magnets. What is that pull from deep, deep down in the earth?

Music

In Music, we are studying watery themed songs.

PE

In PE, we are starting swimming and outside, adventurous activities.

Art/DT

In Art, we are making cut out collages in the style of Henri Matisse's 'Polynesia, The Sea'.

Maths

In Maths, we are working on our measurements (length and perimeter) and fractions.

Key Vocabulary

Protected, creature, mammal, blowhole, krill, blubber, shallows, Equator, dawn chorus, stranded, feast, gulp, bristly, surface, shoal, sieve, slithers, nudges.

Trips and Events

Beeston 24-25/02/2020
World Book Day 05/03/2020
Blue Planet 11/03/2020
Parent's Evening 18-19/03/2020
Family to School Day 30/03/2020 (Science Focus)

French

In French, we are revisiting numbers, animals and focusing on Je m'appelle and Je suis.

End Point

To understand life and forces under our feet...from poles to underwater habitats and sea life.
