

'Reading and writing is taught so differently from when I went to school!'

Sounds familiar?

Would you like to find out how you can support your children's learning, brush up on your own English skills and work towards an adult Functional Skills English qualification?

If your answer to these questions is 'yes', then this free, fun and friendly Family English course could be for you!

**Taking place online, every Tuesday morning
(excluding the school holidays)**

19th April - 12th July 2022, 9:30am - 11:30am

To book a place on this course, please email:
emma.cawley@cheshirewestandchester.gov.uk

The course will run on **Microsoft Teams** and once you have signed up, your tutor will be in touch to discuss details.

Please note:

So that we can offer this course free of charge, you will be required to complete some paperwork. You will also need access to a pen and some paper during each session. You will need to use a device that has a working video camera, which must be turned on for the entirety of the course.

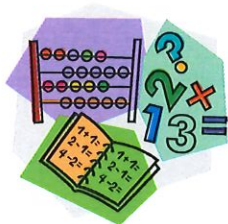

'Maths is so different from when I went to school!'

Sounds familiar?

Are you interested in a course that shows you how maths is taught in school and how you can help your child? You can brush up on your own skills too and work towards an adult maths qualification!

If your answer to all the following statements is 'yes' then this **Family Maths** course is definitely for you!

- I would like to find out more about the maths curriculum and how it's taught in school today
- I would like to find out how I can support my child's maths learning in school and at home
- I would like to brush up my own maths skills
- I am keen to work towards a Functional Skills Maths qualification

Taking place online, every Friday morning (excluding the school holidays)

22nd April 2022 - 15th July 2022, 9:15am - 11:15am

To book a place on this course, please email nina.hallmark@cheshirewestandchester.gov.uk by **Friday 15th April**. The course will run on Microsoft Teams and once you have signed up, your tutor will be in touch to discuss details.

Please note:

- So that we can offer this course free of charge, you will be required to complete some paperwork.
- You will need to use a device that has a working video camera, which must be turned on for the entirety of the course.
- You will also need access to stationery during each session: paper, pen, pencil, paper, ruler, compass, protractor and calculator.
