atmosphere
temperature

English

In English, we are using the book 'Manfish' by Jennifer Berne. The book will be used as a stimulus for some narrative and biographical writing.

PSHE

In PSHE, we will read extracts from a book published by Amnesty International and look at people who have made a change in the world..

Computing

In Computing, we will look at e-safety and continue work on Scratch.

Music

In Music, we will be working in small groups to create musical compositions.

Science

In Science, we will be studying animals including humans. In this unit, the children will learn about the main parts of the human circulatory system. They will also learn about the function of the heart, blood vessels and blood. There will also be a focus on leading a healthy lifestyle.

RE

What are some of the differences and similarities within Christianity locally and globally?

Year 6 Summer 1

Our amazing body !

Art

In Art, our focus will be painting/drawing looking at artists inspired by water (linked to our English text).

Geography

In Geography, we will be studying mountains. This will include looking at physical concepts such as plate tectonics, rock types and formation. We will also look at human interaction with mountains, in particular, the first attempts of climbing Mount Everest.

PE

In PE, we will be focussing on netball and rounders.

End point

Children will understand that the lifestyle choices they make will affect their bodies and they will consider ways to promote healthier ways of living.

Maths

In Maths, we will be studying: statistics, properties of shape and revising work from the year in preparation for the upcoming SATs.
