15th September 2020

Dear Parents and Carers,

Upton Westlea will be taking part in this year's Jeans for Genes Day on Friday 18th September 2020.

1 in 25 children has a genetic disorder that makes their life very difficult. That's one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on Friday. We'd like everyone to take part so please send your child into school on the day wearing their jeans and with a £1 donation.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit jeansforgenes.org/schools for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at jeansforgenes.org

Thank you,
From the school council
