

Upton Westlea Primary School Parents' Newsletter April 2023

Welcome back! We hope you have had a lovely Easter break. Although we have only been back for two weeks the children have come back and settled well into our busy timetables. We have got a very busy month coming up, please see the dates below and check the website calendar for the dates of upcoming events.

Autism Awareness Week

During the last week of last half term, we all took part in the Autism Awareness Week. Mrs Wright led two assemblies to explain why we were taking part in the week and shared with the children information about Autism. As a school, we came together to raise some money for the charity by wearing our own clothes. I am pleased to say we raised £83.85p for the Autism Society. Thank you for all your support!

PTA Meeting

Thank you to the parents who have expressed an interest in being part of the PTA. The PTA is really beneficial to our school in helping to raise funds to fund different things within school. The PTA help to organise events such as the Disco, Fairs and Film nights. If you were unable to attend the Coffee Afternoon held in April but would like to be part of the PTA, please pop into the office and let us know. We are hoping to hold an event before the end of the school year.

What's been happening in Club?

To start off this term in The Treehouse, we have been enjoying playing outside on the adventure playground and playing football. Inside we also had an obstacle course, we showed off our excellent turn taking and waiting skills. Well done to all the children! We have also been busy painting the background for our new display ready for the Coronation.

May dates at a glance:

Date	Class	Event
