

Parent Testimonials

All staff who deal with J do an amazing job. They go above and beyond. J has a lot of close bonds with the staff and feels very safe here. She'd stay forever if she could

Upton Westlea do brilliantly with B. The strategies they use are very helpful and I can already see an improvement. I would like to say a massive thank you to all the staff that help B at Westlea – thank you all so much.

Always the best school
– helpful and great
teaching staff/support
staff

The staff always try new things when others aren't working as well anymore – so friendly and welcoming –
Thank you

Our family went through tough times last couple of years. The school has been nothing but supportive in every way. Mrs Carruthers is a good human being and she has managed to collect staff just like her who are diverse, inclusive and friendly.

A seems happy at school and it is really helping her educational needs – she is loving being on the school council to help the school and seems to be doing well in Y4
