

History

In History, we will be learning all about life in Ancient Greece. Children will gain an understanding of why Greek soldiers were so powerful. They will also investigate the origins of the Olympic games.

English

In English, we will be using the book Blue John by Berlie Doherty as the stimulus for our learning. We will use a range of sentence structures and developing an awareness of organising to write a letter with an explanation about cave formations.

Music

In Music, we will be looking at purpose, identity and expression in Music. We will look at the question 'How does music connect us with the environment?'

Computing

In Computing, we will be looking at repetition in games using Scratch.

Year 4 Summer 2

Honour and Pride

PSHE

During SCARF lessons, we will be looking at Growing and Changing.

Science

In Science, our focus will continue to be on living things and their habitats. We will be improving our investigation skills to group living things in a variety of ways and recognising that environments can change, posing potential dangers.

Art and DT

In Art, we will be looking at printing repeated patterns and colours.
In DT, we will be at shell structures.

PE

In PE, we will be developing our track and field skills in athletics and take part in tag rugby.

Maths

Throughout this half term, we will be learning about shapes, area and position and direction.

Key Vocabulary

Surge glacier gush cavern billow stalactites
chamber stalagmites snatch formation mould
pools clasp amethyst enchantment amber
sprawl grotto ebony ledge pressure
knowledge experiment peculiar interest
length guard

RE

During RE sessions, we will be learning all about the Bahá'í Faith.
