

Year 3 Spring 1

History

In History, we are exploring the Stone Age and considering how this time has impacted our lives today.

English

In English, we are using 'Stone Age Boy' by Satoshi Kitamura to practise prefixes, tense, speech and headings to write a first-person Stone Age adventure of our very own.

RE/PSHE

In PSHE, we are using the No Outsiders book, 'This is or house' by Michael Rosen as well as delving into the SCARF theme of keeping safe.
In RE, we will be exploring beliefs about Jesus and how he is portrayed in art around the world as well as the symbolism of the cross.

PE

In PE, we are exploring symmetry and asymmetry through gymnastics as well as a Netball unit.

Computing

In Computing, we are using Scratch to programme a sequence of commands to make music.

Art/DT

In Art, we are using junk modelling to create Stone Age dwellings.
In DT, we are using pneumatics to create moving parts to retell an aspect of our book.

Science

In Science, we are exploring a Rocks and Fossils unit and looking at testing different types of rocks and soils.

Music

In Music, we are focusing on Latin dance. We will be exploring salsa rhythms by learning to dance salsa, play a clave rhythm, sing the song, and play a percussion part.

Trips and Events

January 13th – Poetry Day
21st January – Sleeping Beauty
W/C 3th February Mental Health Week
11th February – Internet Safety Day

Maths

In Maths, we are working on measures (length, mass and volume).

Key Vocabulary

flint, spearhead, fossil, imprint, grindstone, leather, archaeologist, century, history, suppose, actual, pierce, skinning, strike.

French

In French, we are beginning to understand names for French animals.

End Point

To understand the information below our feet...from fossils to identifying how life was lived in the Stone Age.
