

# Blossom Class - Nursery

## Spring 1

## Whatever the weather!

### Physical Development

To dress and undress with increasing independence.  
Pouring with a variety of jugs and containers.  
Balancing perfectly still on both feet, on foot, the other foot. Can you walk along tape on the floor and not fall off?

### Communication and Language

Listen to and become familiar with a range of books throughout the term.  
Chatting about what has happened, what can they see? What might happen next?  
Using illustrations as help/support.

### Personal, social and emotional

To become increasingly independent at self-care.  
Washing hands in correct sequence, toileting and putting on own coats, hats and wellie boots.

## Upton Westlea Primary School

Throughout this term we will be introducing a choice of sharing feelings each morning.  
The theme Whatever the weather! Gives lots of opportunities to develop understanding of the world and how the weather effects the world around us.  
We will continue to encourage the children to be increasingly independent in self care and in communicating with others.

### Key Vocabulary

Cold, hot, ice, freeze, rainy, rain, full, pour, drip, wind, windy, blow, gale.

### Expressive Arts and Design

Experiment and explore creating with different materials and tools.  
Using large and small materials to explore a sense of scale.

## "Inspire, Learn, Succeed."

### Understanding the World

Explore natural materials indoors and outdoors.  
Talk about what they see, using a range of vocabulary.  
Winter Walks around the school grounds.  
Use all their senses in hands on exploration.  
Encourage children to think about the different birds living in our gardens in Winter and how we can help them when everything is frozen.

### Mathematics

Using counting skills throughout our session at nursery. At snack time - how many are needed? Do we have enough? Need more? Ways to record this.
